About us

We specialize on the business of agricultural production including crop farming, cultivation, harvesting, storage, processing, packaging, distribution, and sale of agricultural produce and related products.

We engage in livestock farming including the rearing, breeding, production, processing, storage, distribution, and sale of animals, animal products, and by-products such as poultry, cattle, sheep, goats, fish, eggs, dairy, and meat products.

Logotype

Enro's logo is a wordmark, thoughtfully designed to be simple clean and instantly recognizable.

Its minimalist style with the subtle leaf element was designed to reinforce memorability. The overall design communicates freshness, growth, innovation, and a strong connection to nature and agricultural excellence.

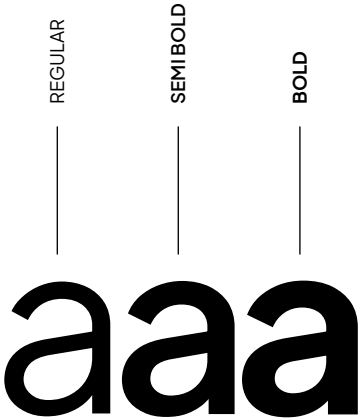
typography

Plus Jakarta

ABCDEFGHIJKLMNOPQRSTUVWXYZ
abcdefghijklmnopqrstuvwxyz
0123456789!@#$%^&*()

Plus Jakarta Sans is a modern geometric sans-serif typeface chosen for its clarity, versatility, and contemporary appeal. The font maintains excellent readability across digital and print platforms, making it ideal for headlines, body text, and brand communications.



Color & Pattern.

brandcolor

Enro's Deep Green

#113B03

#F0E000

Enro's Yellow

#89BF1C

Enro's Light Green

Enro's **deep green** represents our commitment to agriculture, fertility, and productivity. The **yellow and light green** accents add vibrancy and life to the brand identity, symbolizing energy, harvest, and abundance. Together, the color combination reflects our dedication to supporting agricultural sustainability in Africa.

brandpattern

The **leaf mark** was chosen as Enro's brand pattern to reinforce its agricultural identity while maintaining a clean, minimal aesthetic.
